The musical score is written on five staves in a simple, hand-drawn style. The lyrics are written below the staves. A large, dark, scribbled-out shape covers the middle of the page, obscuring parts of the music and lyrics. The scribble starts from the top left, near the handwritten note, and extends down towards the bottom right, ending near the bottom of the page.

Dedication

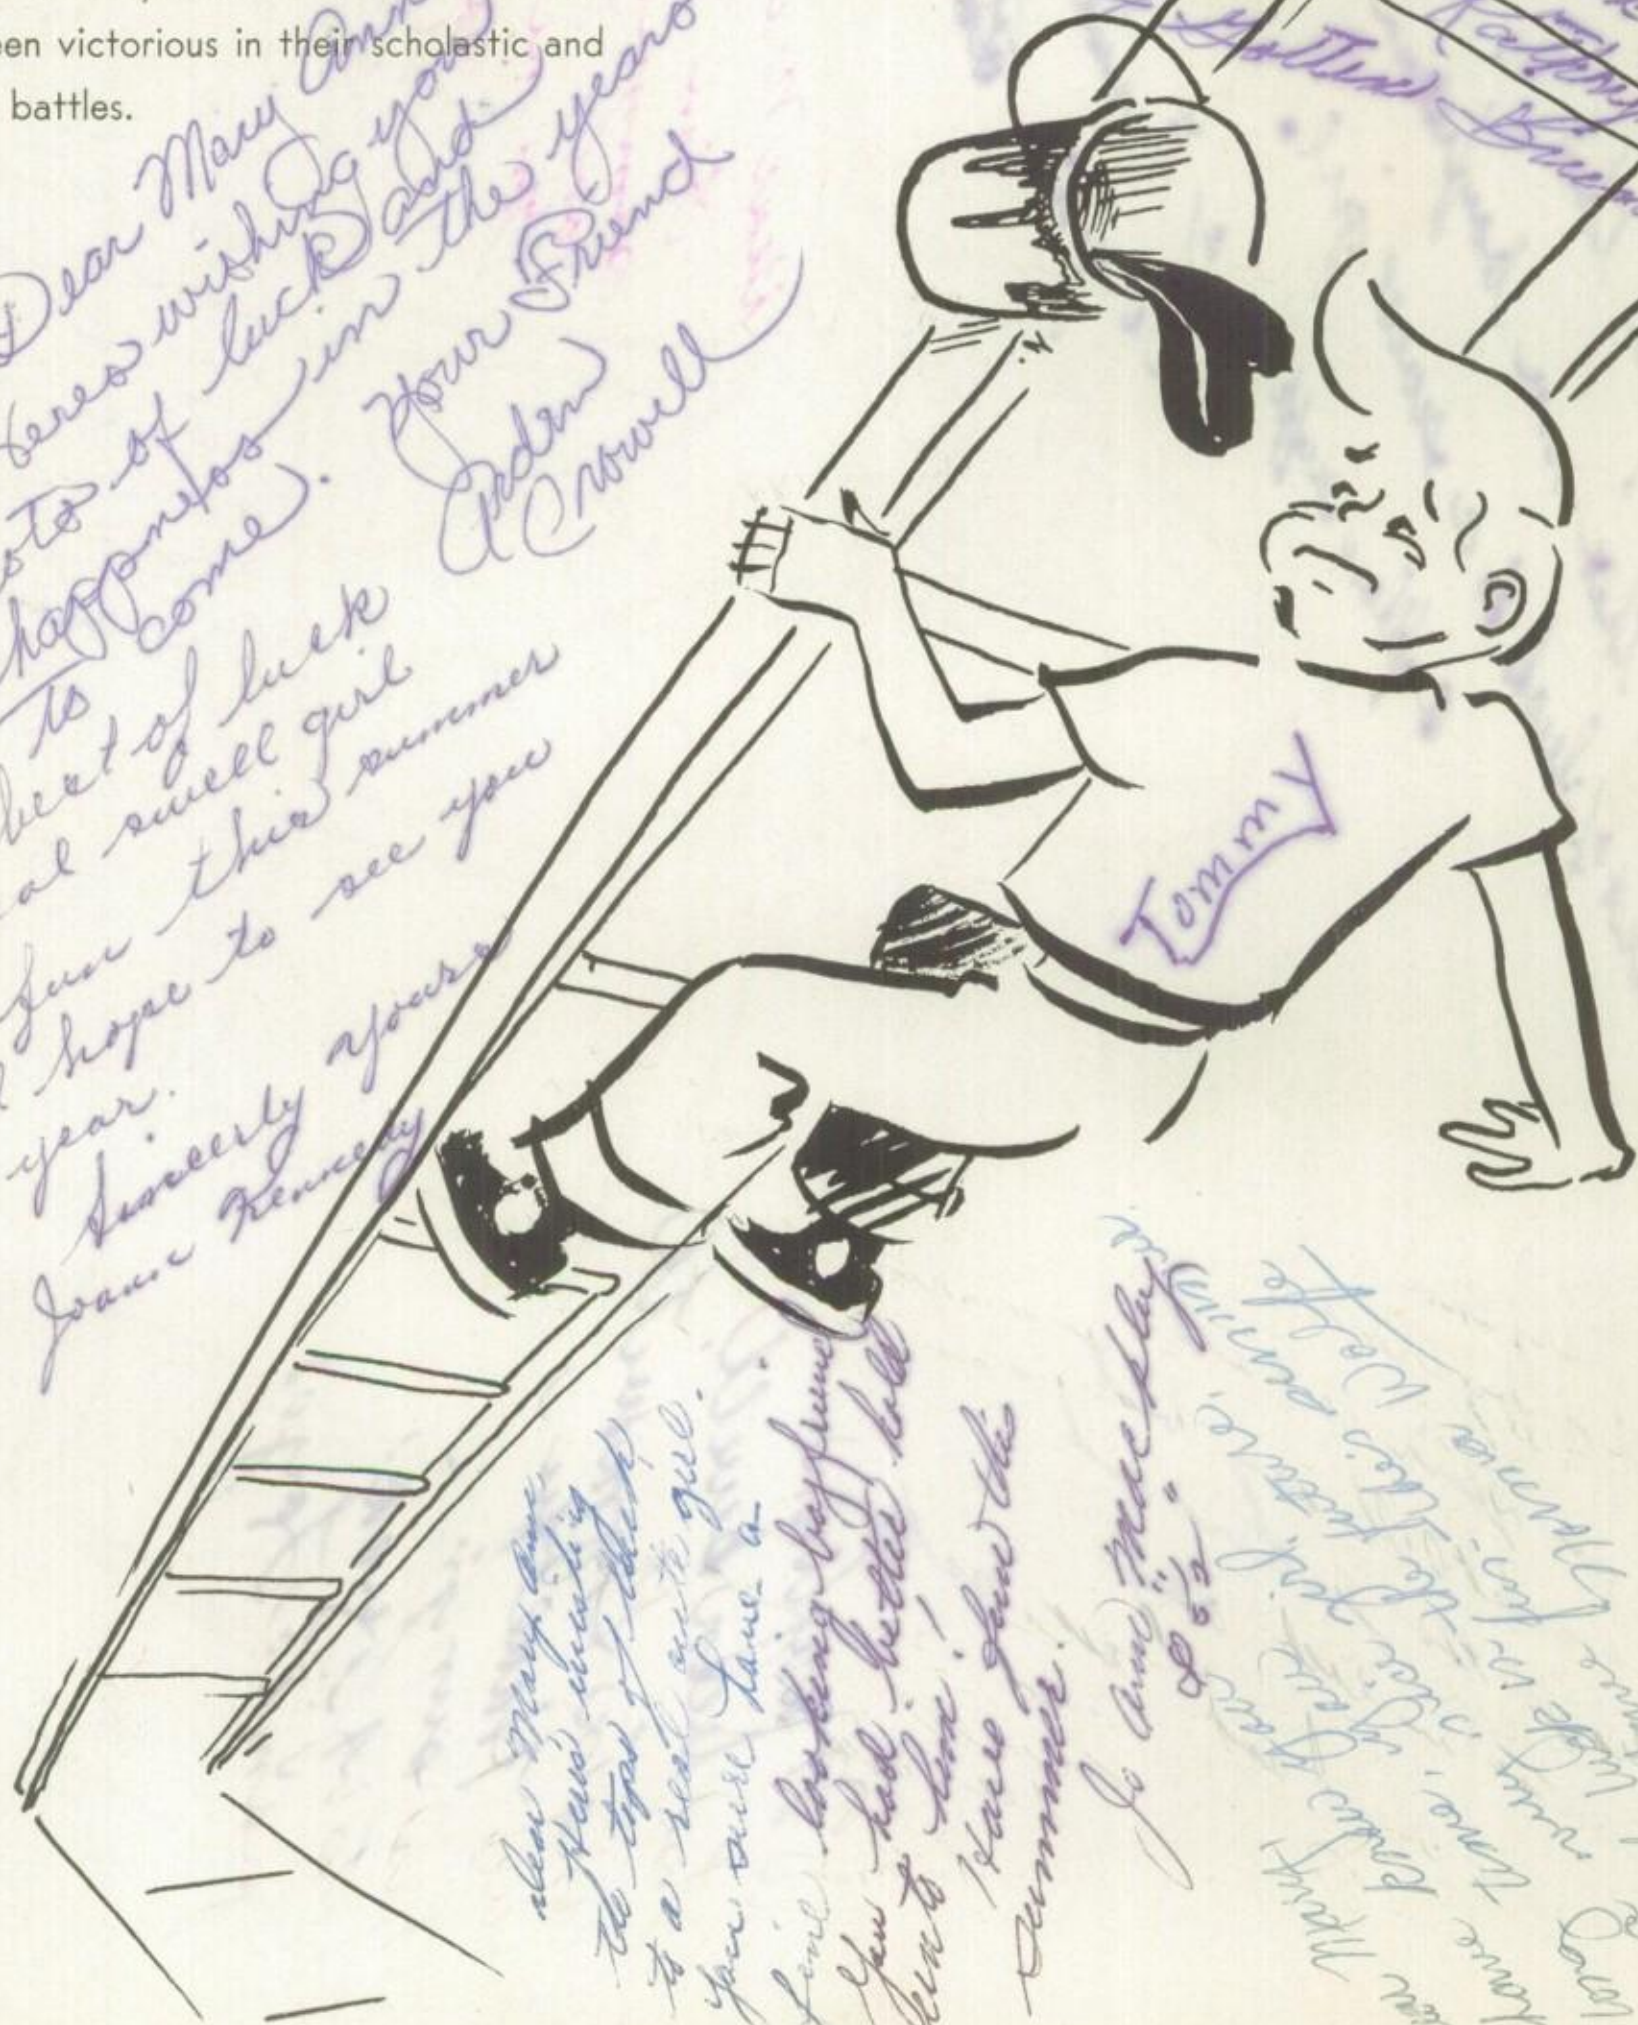

On this tenth anniversary of the Maroon and White we, the staff, feel proud to dedicate this Teocalli to the fighting spirit of the Aztecs. Without this fighting spirit which has been characteristic of Mark Keppel throughout its first ten years, the Aztecs could not have been victorious in their scholastic and athletic battles.

Board of

Mr. Bettinger
Superintendent

Mr. Yelland

Mr. Hancock

The members of the Alhambra City Board of Education, through their constant aid and wise counseling this past year, have continued to make our school system function smoothly and successfully.

The Board, elected by the people, consists of five members and an appointive secretary, who meet twice each month, to carry out and discuss the operation and individual properties of all the schools in the Alhambra district. This group serves as the policy forming body of our school system, and their responsibilities include the authorization for expenditures of funds for the operation of the schools and the approving of legislation.

During this past year they have been responsible for opening two new elementary schools, the Martha Baldwin and the William Northrup Schools. They also recommended to the voting public a change in the maximum tax rate. This measure was approved by a 3 to 1 vote.

President of the Board of Education is Mr. Clarke; the Vice President is Mr. Hancock.

Members of the Board of Education are "servants of the people" in the true sense of the word, for they give unstintingly of their time and receive no monetary remuneration. But they have the satisfaction of knowing they have been working for the youth of Alhambra and indirectly for all the people in the community.

LOOKING FORWARD

In the observance of Mark Keppel's Tenth Anniversary, students, faculty, and friends of the school have had the opportunity to retrace the activities of the Aztecs since 1940 with considerable interest and satisfaction.

Keppel is today a mature school, respected in the community which it serves as well as among its fellow senior high schools of the state. This has not been by accident or luck. Those who conceived and built Mark Keppel—Board of Education members, administrators, teachers, parents, and students—by their sincere, intelligent and tireless leadership have established traditions, morale, and a spirit of friendliness which can't easily be lost.

It is entirely probable that future leaders will have the same spirit and will to perpetuate Keppel's high standards so that the Aztecs will always be admired and respected on all reservations.

Legislative Council

The legislative council is a student represented body which functions as the legislative branch of our government. The council consists of a representative from ninth year speech and orientation classes, from tenth year English classes, from eleventh year history and civics classes, and from twelfth year senior problems, international relations, and English classes.

The purpose of this group is to discuss new ideas and views of the students and report back to the classes for their approval or disapproval.

The council has aided and participated in many school activities and has helped prominently in the campus clean-up campaign.

Girls' League

Our girls' league this year under the helpful guidance of the new girls' vice principal, Miss Arzt, has been very active and sponsored such affairs as the traditional freshman girls' party, luggage day, and the annual fashion show. The first day of each semester the girls acted as hostesses to make the new students feel at home.

Every girl at Mark Keppel is automatically a member of the girls' league, but the girls pictured below are chosen to represent the members of each class. We're all proud of this fine organization.

Activities

This year at the traditional Alhambra-Keppel football game, it was our turn to choose a queen to reign over the big affair.

The cabinet nominated seven girls for the honor: Jackie Leber, Eleanore Ward, Toni Pagano, Muriel Weyer, JoAnn Burton, Joanne Strandburg, and Jamie Lou Tompkins. The student body elected Eleanore Ward as queen, and JoAnn Burton and Toni Pagano as the two princesses. The girls were crowned at the Coronation Ball held at Story Park, where they celebrated with dancing and refreshments. The court was honored before the big game at the Rose Bowl began and watched the contest from box seats.

Each year we alternate with Alhambra in selecting this queen, and it seems especially appropriate that Keppel should preside as host during this tenth anniversary. It is another beautiful tradition that has been built up during Keppel's ten years of activity and has strengthened our friendly relations with Alhambra.

Miss Clark
Adviser

"Help! Is there a doctor in the house?" This cry was uttered many times during the last few days before the 1950 Teocalli went to press. It came first from the lips of our hard-working editor-in-chief, Maxine Fowler, who really needs that well-deserved rest. The editor was not the only one in this condition. There were many others—our managing editor, Adrienne Neville, Barbara Bast, our copy editor and Miss Clark, our literary adviser, who so graciously supported the staff and all its ideas.

However, after the shouting stopped and the typewriters were silenced for the last time this year, we all glanced back to find that the late hours, the deadlines we failed to meet, and the disputations and tantrums were not so bad after all. It was discovered that we had not only produced an annual to be proud of, but also had experienced many good times with a fine staff.

While praising our staff, we would like to extend sincere thanks and appreciation to all our advisers for their part in making the book such a great success. We would like to acknowledge the same sincere appreciation to the following: Adrienne Neville and Bill Karnatz for their unique character, Dick Winters for the unusual cover design and Bill Cummings for his outstanding lay-outs and paste ups.

The entire staff hopes that the 1950 Teocalli, published during Mark Keppel's tenth anniversary, will bring you a great deal of enjoyment and many pleasant memories of a most eventful year,

The Aztec

The Aztec this past year has been under the supervision of two very capable editors, Jim McGrath, editor first semester, and Tommy McClelland, the second semester editor.

The staff took several interesting field trips during the year. They toured the Mirror and Times Buildings, where they saw all phases of newspaper work, including the City's Editor's desk, the Sports Room, the page make-up room, and the Press Room where the presses were actually rolling. They also visited the Los Angeles Engraving Company, where they were shown the actual process of engraving.

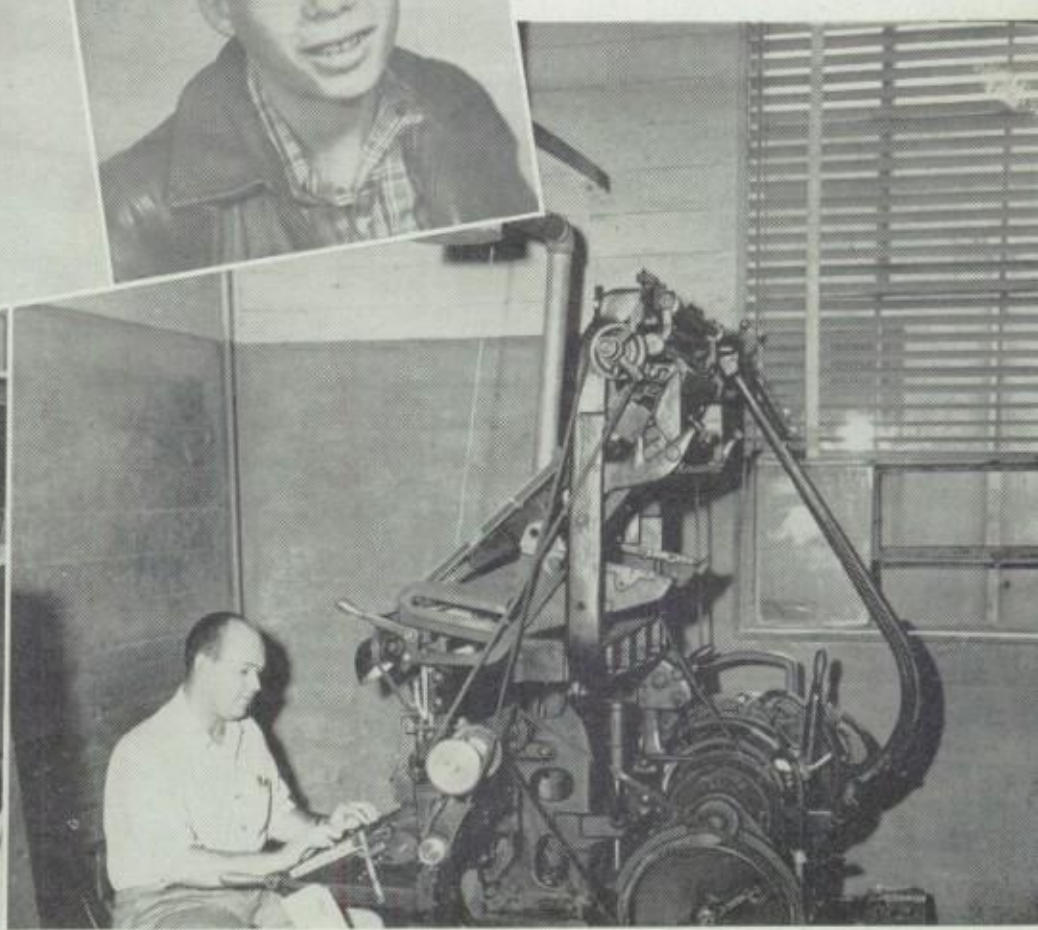

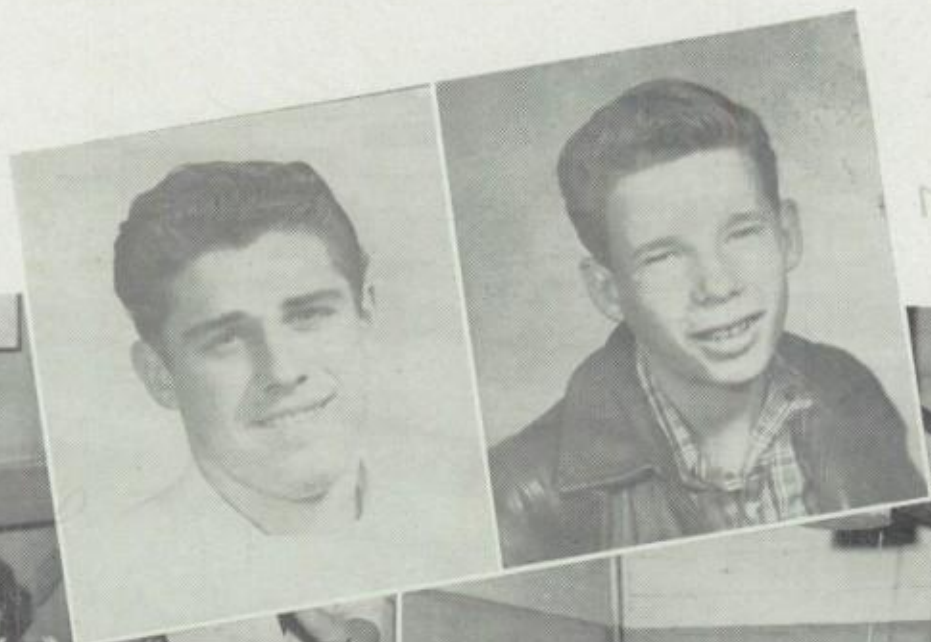

They participated in the Journalism Days at Redlands, Long Beach City College, and U. S. C. During the past year, the staff has also been active in the "Pacific Slope Press Association," the "National Scholastic Press Association," and "Quill and Scroll Activities."

The regular edition of the Aztec consists of six pages, but during the year there have been several special editions. One of these was the 10th Anniversary edition with special articles on the Alumni Homecoming. A great deal of research and work has gone into these items.

With the help of their efficient adviser, Mrs. Orr, and their printer, Mr. Tisdell, the staff has been able to give us a complete and accurate coverage of school activities. Congratulations for a job well done.

Mark Keppel 13

El Monte 7

Opening the league with a tough game against El Monte, the Aztec grid aggregation showed signs of what was to come. Demonstrating their powerful backfield and charging line, the gridsters downed a fighting Lion eleven.

Mark Keppel 19

Excelsior 13

An under-rated Excelsior team gave the Aztec eleven all they could handle and a little more before they were finally subdued.

In the third quarter the Pilots held a 6 point lead and it looked like it might stand up until Don Thompson started running and passing. Alternating with Bob Stuart on ball-carrying, the two-man combination really clicked as Keppel scored two quick touchdowns to overcome a rough and tricky Excelsior eleven.

Mark Keppel 40

L. B. Wilson 6

Little Al Dattola brought an overflow crowd to its feet with a 96 yard runback of the kick-off, and his teammates continued to keep the fans standing as Keppel racked up its highest score of the season. Long Beach was able to get only one touchdown, which was set up by a long pass. Highlight of the game occurred when Keppel's tackle, Chuck Greenhough, grabbed a falling ball from the arms of a player and went plowing over the goal line.

Mark Keppel 27

Montebello 14

Spotting the Oilers a touchdown early in the first quarter, the Aztecs had to go all out to win against a rough Montebello team. The Aztecs evened the score on a reverse by Dattola and then went ahead to leave the field at half time with a 13-7 bulge. Both teams scored in the third quarter. With fifteen seconds to play, Al Dattola intercepted a pass to go all the way for six points.

Mark Keppel 7

Whittier 27

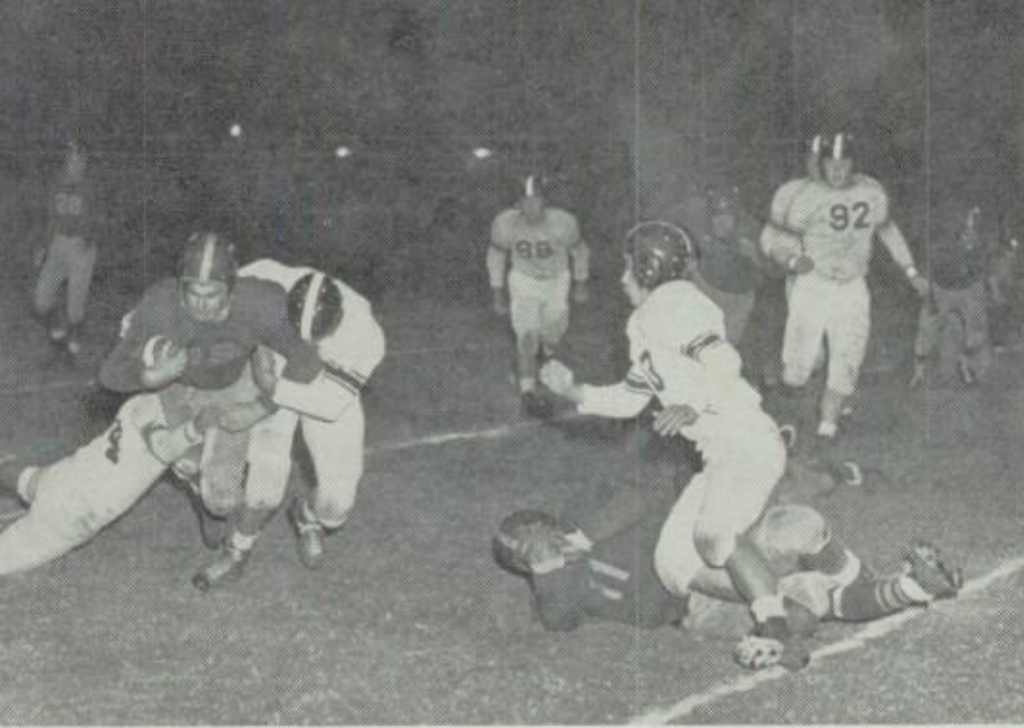

The highly favored Aztecs got off to a quick start as Bob Stuart intercepted a Whittier pass and went all the way. But the Aztecs' lead was short lived as Whittier opened up its highly reputed passing attack behind the arm of Earl Reese. The Cardinals scored twice and from there on it was all Whittier as the Aztecs lost their first league game.

Mark Keppel 21

L. B. Poly 20

Termed by many as the best game of the season, the L. B. Poly game proved to be a real thriller. The Jackrabbits were all Keppel could handle and going into the last four minutes of the last quarter the score stood 14-14. Then the Aztecs started a downfield drive sparked by nice passing by Don Thompson and brilliant catching by Gene Deyling. The Aztecs scored and Wayne Fields completed a perfect night by splitting the uprights. With only seconds left it looked like Keppel's game, but on the first play after receiving the kick-off Poly completed a long pass for a T.D. The conversion pass was blocked by Gene Deyling to give the Aztecs a hard-earned victory.

Mark Keppel 6

Alhambra 6

In this traditional game, Alhambra scored early in the first quarter and then began the see-saw battle which saw the ball carried up and down over the Rose Bowl's turf. Going into the last quarter Alhambra had held on to its slim one touchdown lead but Keppel started throwing the ball and a long completed pass set up an Aztec touchdown. The conversion failed and time ran out with neither team scoring again, enabling the Aztecs to cop the Pacific League title by virtue of this tie with Alhambra.

Mark Keppel 27

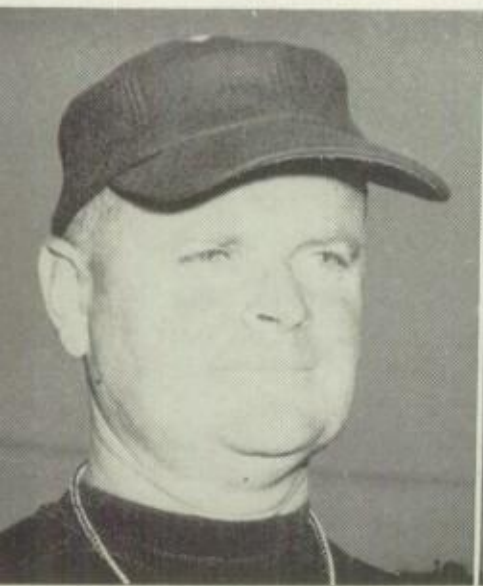

Fullerton 7

Sparked by Don Hickman, the Aztecs completely outplayed a Fullerton eleven in the first of a series of battles for the C.I.F. Crown. Notable also were Don Thompson, Al Dattola, Wayne Fields, and Gene Deyling. The only Fullerton T.D. was scored late in the last quarter when the Aztecs had piled up an insurmountable four touchdown lead. It was evident in this game as it had been all season that a very major factor in the Aztecs' league winning was its very powerful and hardworking line. This championship line buckled down and held a Fullerton team three times when they were only a few feet from pay dirt.

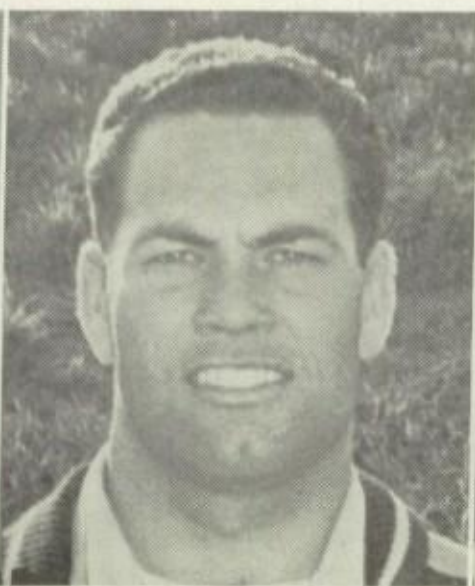

Mark Keppel 7

Compton 21

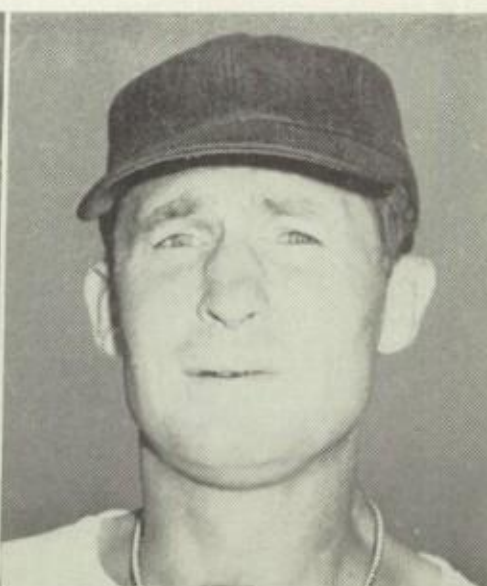

The Compton Tarbabes, a small but fast team, downed a fighting Aztec eleven in the C.I.F. semi-finals. Contrary to the outward appearance of the score the Aztecs played a very good game and every Compton touchdown was well earned. During 1949's football season it would be good to pause for a minute and recall that a football team is only as good as its coaches, and we had a championship team. This is certainly proof that Johnny Seixas, Ed Austin, and Howard Hunt are the kind of coaches we can be as proud of as we are of our football team.

J. V. Football

Mark Keppel's Junior Varsity team showed excellent form as they trounced their first four opponents decisively. They showed up so well, in fact, that Coach Seixas decided to take four of the outstanding players and move them up to Varsity, and it was with their help that the Varsity went as far as it did. The remaining J. V. team, however, was weakened as a result and lost their last three games.

This did not discourage their fighting team, however, and the next year these men will be the ones we are cheering for on the Varsity, as they use the valuable experience they received on the J.V.'s.

Bee Football

Coached by Blynn Wilson and backed by its two returning lettermen, Dick Wiedekehr and Tom Richardson, Mark Keppel's "Bee" Team moved from one victory to another with only the Alhambra defeat to mar its record. This succession of victories brought the "Bees" to a three way tie with Alhambra and Long Beach Wilson for the Pacific League Championship.

The Mark Keppel "Bees" began rolling by defeating John Muir. They then proceeded to trounce El Monte and surged on to defeat Montebello. Excelsior and Long Beach Wilson met the Aztecs to find them invulnerable. In the fast-moving encounter with Whittier, our neighbors to the south-east were crushed. The Poly Jackrabbits found themselves in a stew when the scoreboard read 19-0 in our favor.

Then our Wilson coached boys advanced against the traditional enemy of the Aztecs', the Saracens of Alhambra, and suffered a close defeat, but gave the Moors all the football they wanted during the game. The "Bees" again this year showed themselves to be masters of gridiron tactics and Keppel salutes the "Bee" Team.

Players who made the Aztec victories possible were Jim Hillis, Jerry Porter, Fred Sennewald, and Tommy Koehm. These boys were on last year's squad. Added to these were the following boys up from last season's Cee team: Max Shuster, Len Grusky, Darrell Hadley, Emil Dattola, and team captain of this year's Bees, Dick Bowman.

The 1949 Cee's season was one of the best seasons the Keppel Mighty Mites have had since they garnered the Pacific League title in 1948. Coach Maynard Horst's crew won four and lost two league games.

The Mighty Mites, led by three lettermen and four squad-men along with a host of freshman candidates, worked hard throughout the season to learn the rudiments of single-wing football. The Aztecs started their winning streak with an upset of the Monrovia Cees to the tune of 7 to 6. The Keppelites started their league contest with a loss to the El Monte Lions, 13 to 7, but the Aztecs came charging back to topple Cathedral, 20 to 6. Next the Mites knocked over Excelsior, 20 to 0, and followed up by crunching out a win over the Whittier Cards, 7 to 0.

In their last game of the 1949 season the Aztecs were bowled over by their arch-rivals, the Alhambra Moors, 19 to 6.

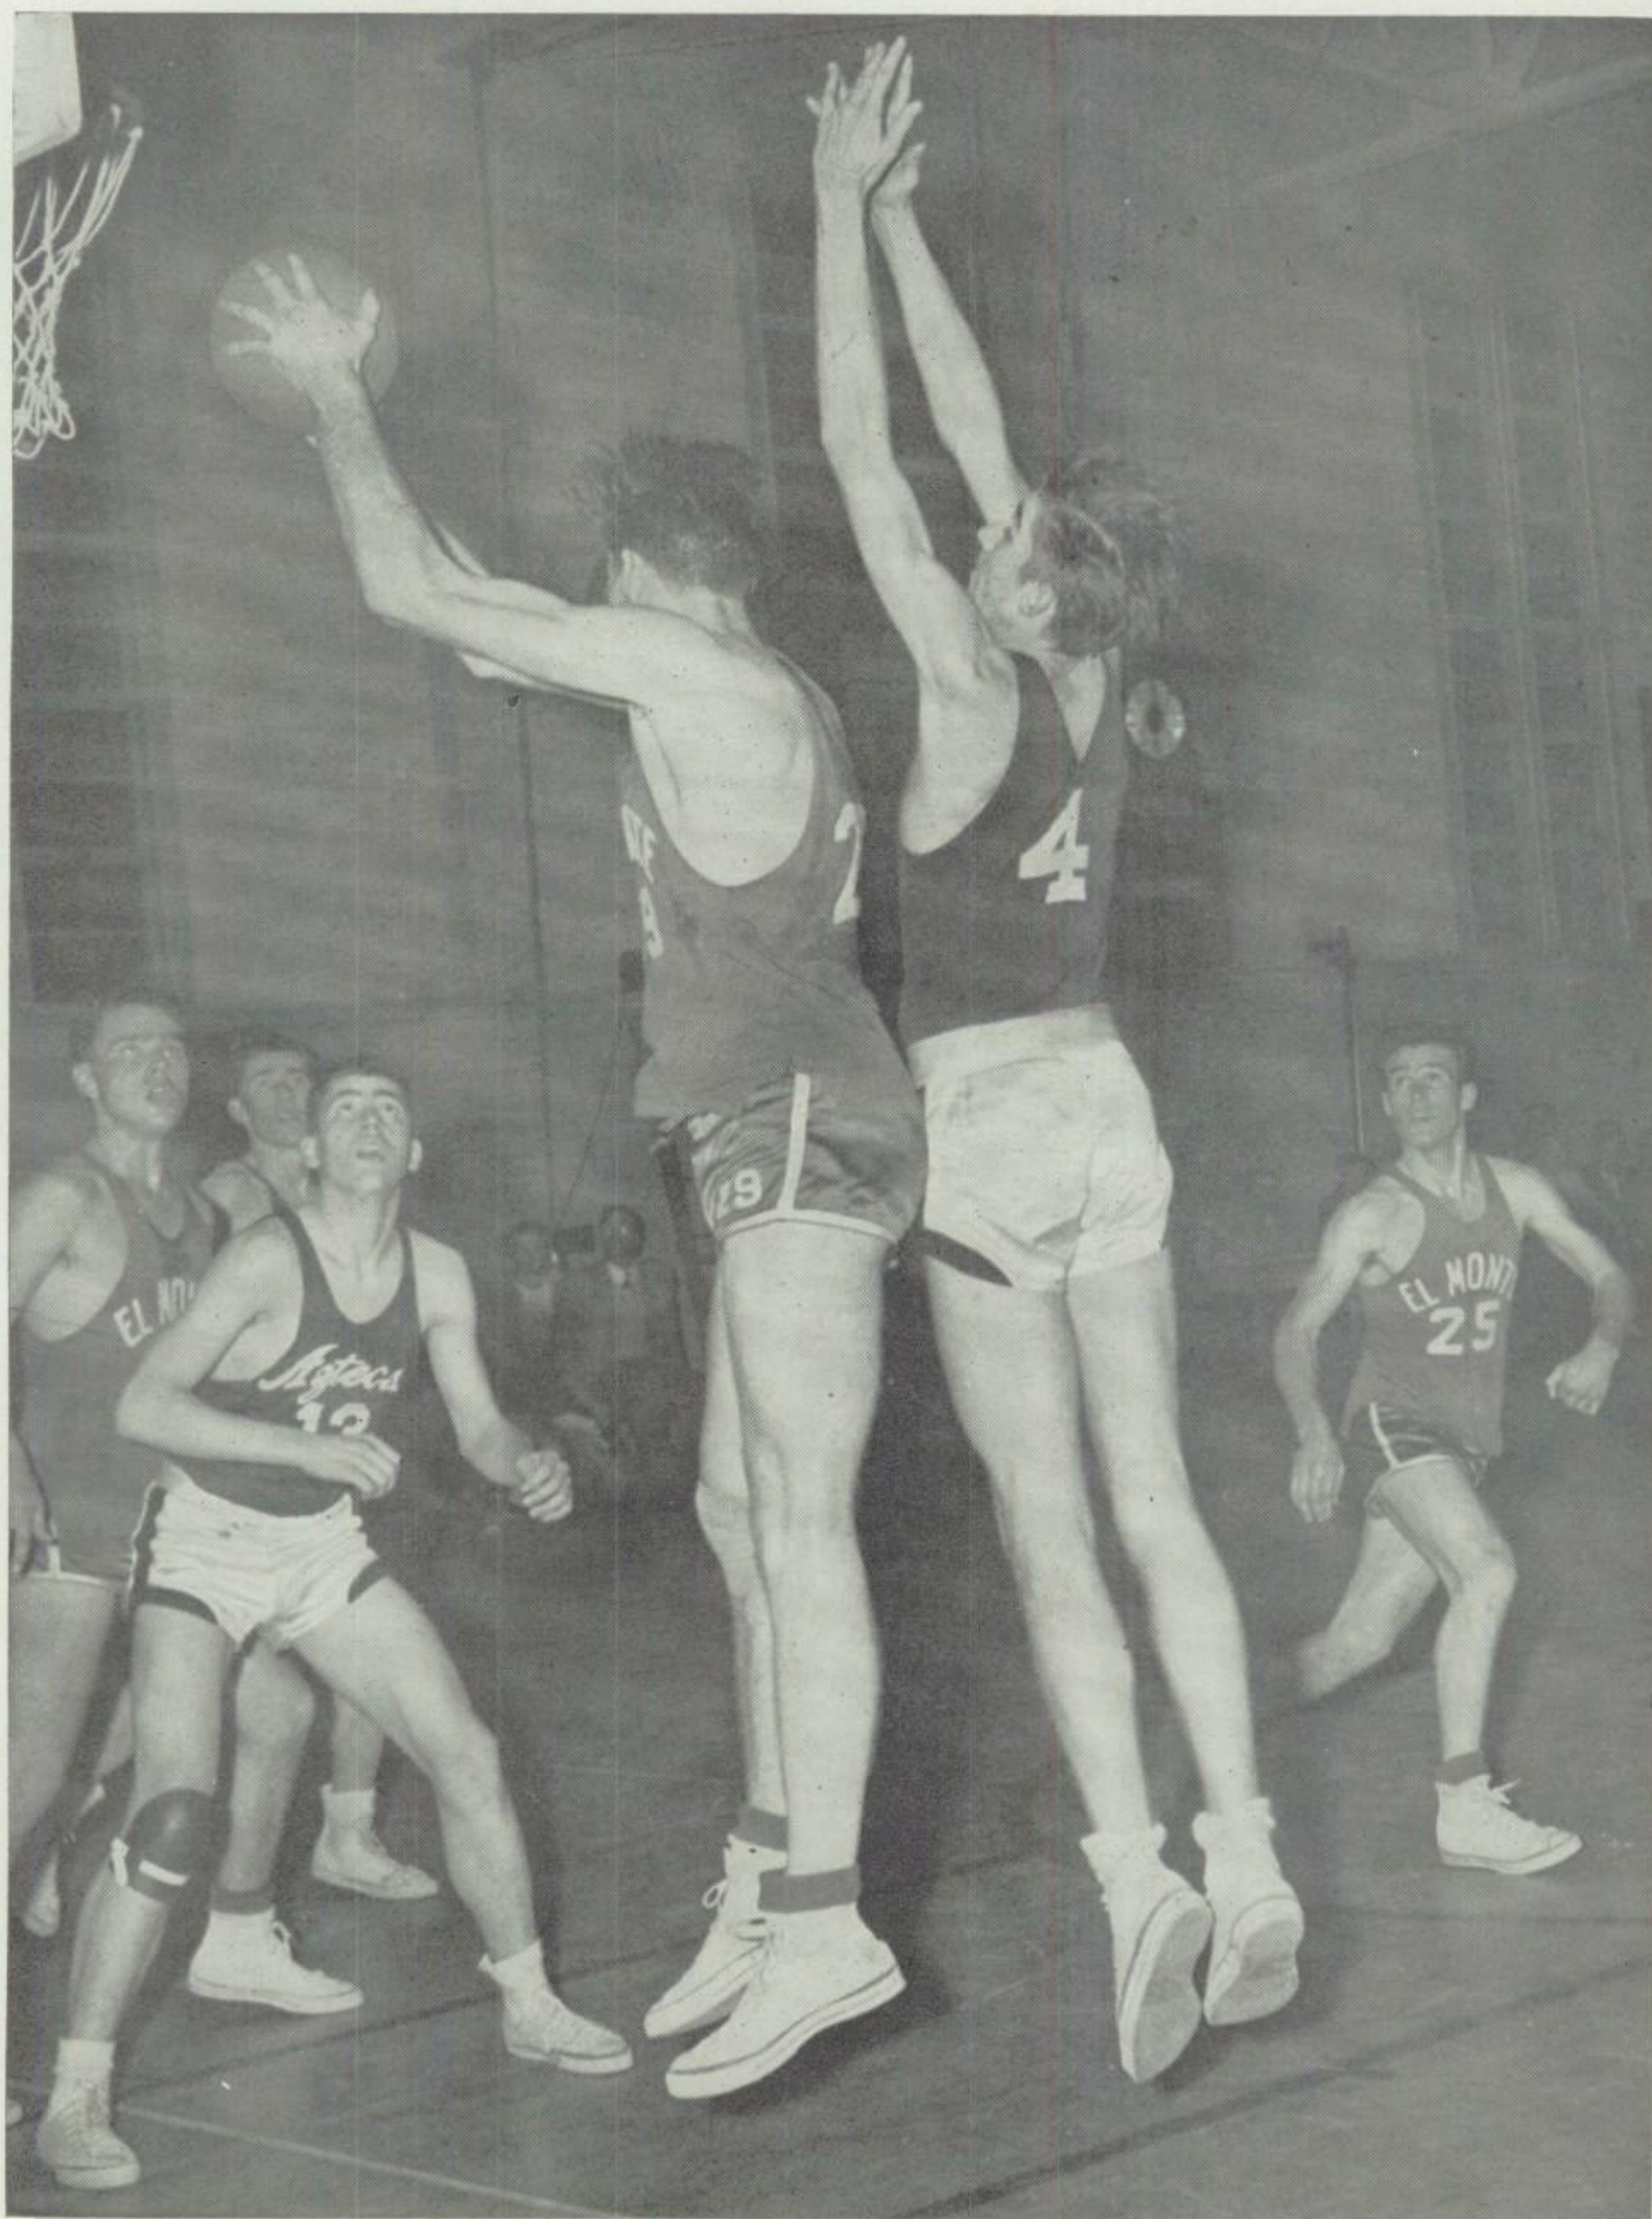

Outstanding backs were Max Fields, Marty Stone, and Tommy Sandoval; but we cannot overlook the blocking back, Harold Van Vuren. In the Cee's forward wall Louis Pagan, Don Preskitt, and Andre Miliate were the main stays.

Varsity Basketball

Our Varsity cagers had a very hot and cold season this year. "At our prime we could have beaten any team in the league," said Coach Wilson, and his team backed up his trust by defeating last year's C. I. F. champs, Ventura, on their home court — the first team to be able to do this in Ventura's last 31 games. In another hot streak the Casaba men came within four points of defeating this year's C. I. F. champs, El Monte. At several other times in the season, very crucial games were decided by one or two points.

The team was well balanced, with no outstanding player, but the shooting of Rod Bence and Fred Anson, the rebounding of John Henderson and Johnny Garten, and the aggressive floor play of Don Carman all were major factors in making the team as successful as it was.

Bee Basketball

The Aztec Middies experienced an up and down season this year. They were hindered during the entire season by a lack of practice, as Coach Austin was not able to start workouts until after football was over. This lack of practice was evident in early games but was almost overcome as the season progressed.

Coach Austin said that this year's team was as hard working a team as he has ever coached, but that most of its weakness lay in its inconsistencies.

High point man for the season and a standout player throughout the season was Rich Keppel. At many times it was his shooting that kept Keppel in the ballgame. Other boys who came through in the pinches included Dick Bowman, who could always be counted on to rebound the ball, John Coleman, who sank many a long shot from his guard position, Max Shuster and Len Grusky, who helped make the fast break come off, and Bill Anson and Jim Kimbro, who faked and feinted from their center position to add points to the Aztec score.

Cee Basketball

Mark Keppel's Cee team did everything a team could do and not win a championship. Hindered by early season injuries and ineligibilities, the Cee team showed that they were as good as any team in the league, as they went through their last round of play defeating every opponent.

This year's team, coached by Manard Horst, showed signs of some good future basketball players. The team worked very well together on both defense and offense. This is shown when you note that twice they held their opponent to six points, and scored as many as 47 points, a good score for a Cee team.

Stand out for the season was George Dudley who in the last game with Alhambra scored as many points himself as the entire Alhambra team.

Other players who aided the team in its success included Vance Beal, Tom McClelland, Danny Rogers, Joe Kile, Harold Van Vuren, Gary Gardner, and Bill Hooks.

This year's Mighty Midget team had an up and down season. In several cases the Dees could have won games they lost by making just one more basket. This close margin in many of the games' scores made the team's final position seem much lower than it really was, because 6 or 7 points scored at the right times could have made a difference of 2 or 3 positions in the final standings.

The team worked very well together under the guidance of Maynard Horst and didn't have any one individual star. Particularly outstanding players were Niel Barton, Steven Soubirou, Charlie Herpick, Don Bertelli, and Ken Berke-meyer.

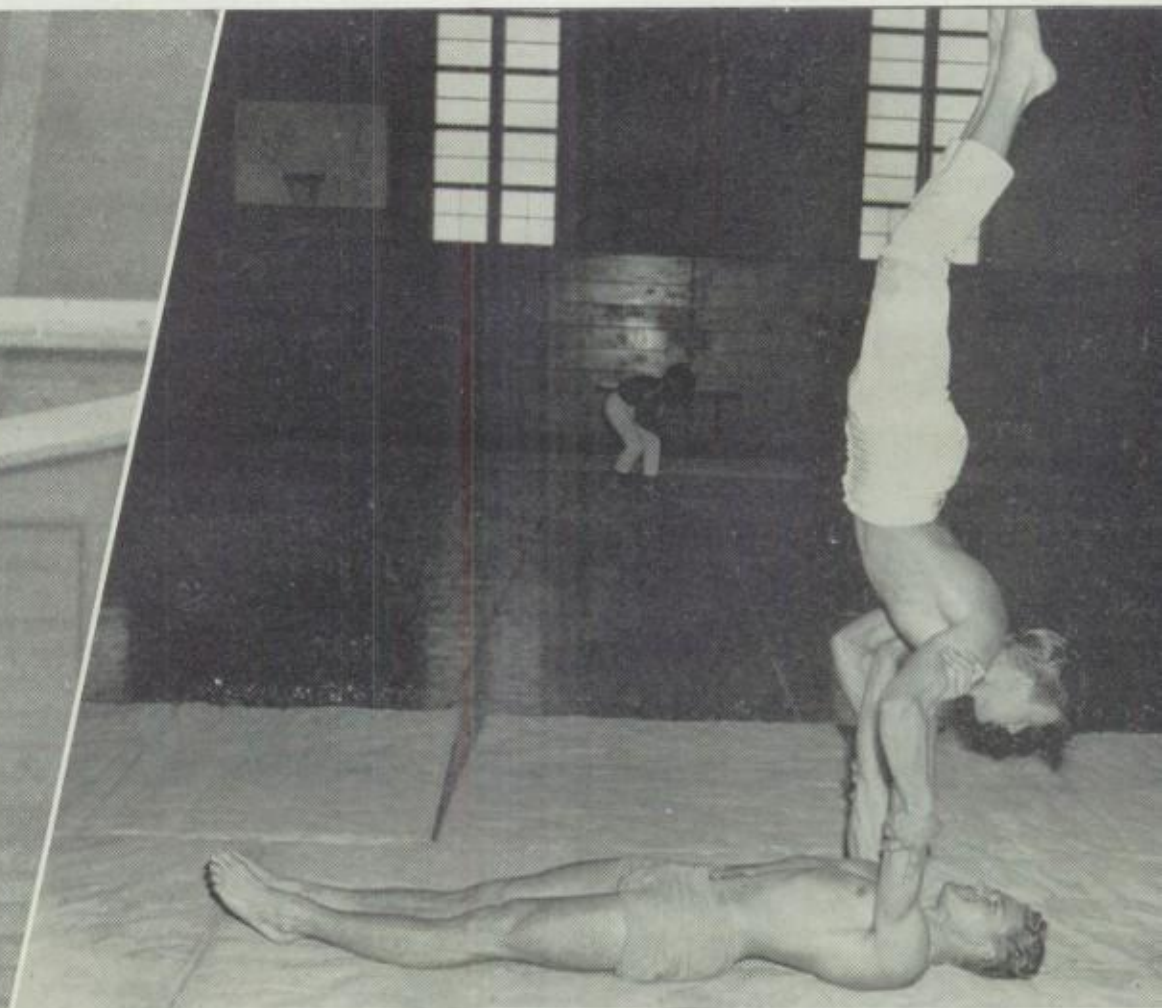

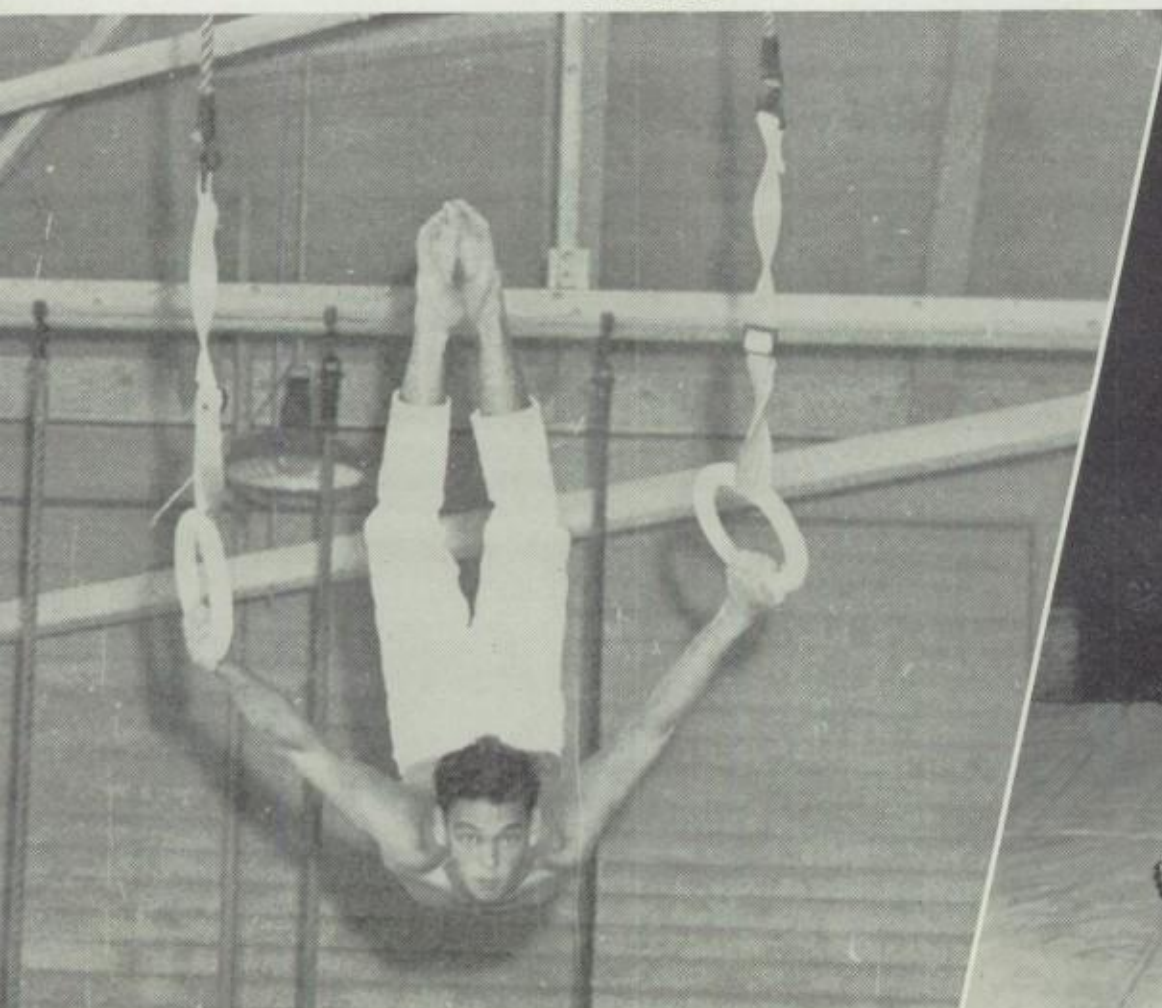

Row 1: Al Vanderbush, Jim Robertson, Dick Torres, Eloy Alderette, George Larabee, Gene Logan, Carl Miller, Darryl Mitchell. Apparatus

The 1950 Aztec Apparatus team took third place in the C. I. F. meet at P. C. C. They placed three boys in this meet and these three were George Larabee, fourth in tumbling; Enid Moore, second in parallel bars, and third in the side horse; and Freddy Jones, third in the parallel bars.

Other activities of the advanced apparatus included demonstrations at Roosevelt Grammar School, where they demonstrated their form and co-ordination, and putting on a show for a special assembly.

Coach Howard Hunt firmly emphasized that he was not building bulging muscles in his two apparatus classes but was attempting to develop co-ordination and form in his boys. After seeing the assembly, the whole school could tell that the apparatus was very well co-ordinated.

Varsity Baseball

Participating in the toughest baseball league in this area, the Aztec Horsehiders had their ups and downs this season. Keppel's team had some of the most powerful hitters in the league in Don Thompson, Bill Breon, and John Garten, and Chuck Carrigan, star Aztec pitcher, joined the high school baseball hall of fame by pitching a no-hit game this year.

Despite the power, the Aztecs faced tougher opposition and were defeated by very narrow margins on several occasions.

This year's J. V. Baseball team was made up chiefly of inexperienced freshmen and sophomores, who showed great form in overcoming tough opposition in the majority of their games during the season. Coach Wilson was very well pleased with the performances of his new men as they showed promise of very good baseball players for the coming Varsity teams.

The team did not have any particularly outstanding players, but they showed great group ability. The pitching of the team was often outstanding, but they usually showed their form at the wrong times. When the pitching was good the infield made many errors—when the fielding was good the pitchers had a bad day. When the hurlers and the infielders were on the ball, the opposition was soundly trounced.

Coach Wilson said that as these boys gain more experience they will work together better and make outstanding players.

Cross Country

This year's cross country team led by Joe Miller, Bob Cameron, Don Bradshaw, Lupe Acosta, Al Ramirez, Teddy Banks, and John Rose, took second in the Pacific League and second in the C.I.F. The only team to beat the Aztec harriers was the Whittier Cards, who were lead by the great Russ Bonaham.

The Keppel lungers ran up some low scores this year especially against the Alhambra Moors who could only take one place out of the first ten. Joe Miller was the top man for the Keppel team this year closely followed by Bob Cameron and Don Bradshaw.

Varsity Track

Headed by Don Hickman, Tommy Richardson, and Joe Miller, the Mark Keppel Thinclads experienced a thrilling year as they won four meets and lost two. Don Hickman, Tommy Richardson, and Jim Sterkel gave other league hurdlers a tough time as they offered one of the greatest high and low hurdles combination in this school's history. In the sprints, Bob Palomares and Dick Stafford gave top performances, as Jim Rasmussen was out most of the season with a pulled leg muscle.

In the 440, Lupe Acosta, Ray Freeman, and Dick Stafford gave magnificent showings. In the 880, Don Bradshaw, and Bob Cameron helped our team to many a victory. And since the meets usually depended on the relay and the 880, Don and Bob were usually under pressure. Joe Miller ran only this event yet amassed 33 points, which is a wonderful display. His best time was only a few seconds above the school record. One record which was broken this year was the pole vault as Dick Hemmingway went twelve feet three and one half inches. And he did this against some of the toughest competition in the C.I.F.

The high jump was a strong event with Don McClain doing most of the damage to the other teams. Rounding out a strong field team was Fenton Vilhauer, who led the team as broad jumper.

Bee Track

The Bee track team this year was very strong. It was so strong, in fact, that whenever a crucial meet came up many of the best Bee men were moved up to Varsity. This weakened the Bee team, but they were still strong enough to win several meets. No one outstanding man could be singled out, as the whole team was outstanding.

The sprints and hurdles were handled by Jim Hillis, Teddy Taylor, Chuck Duff, Dick Bowman, and Bill Cummings, with Teddy Banks and Lupe Acosta doing most of the distance running. In the field events, Freddie Jones, Enid Moore, and Raullie Holt did the pole vaulting, with Jerry Porter and Fred Sennewald shot putting, and Al Ramirez and John Coleman high jumping.

Outstanding events of the season included the breaking of the 880 record by Lupe Acosta and the winning of the Pacific League 1320 by Ted Banks.

Cee Track

Led by Gary Gardner, who was a standout throughout the season, this year's Cee track team captured the league crown. Every opponent of our Cee team was decisively defeated by large score differences. Another "big gun" of the mighty mites was Joe Kile, who put the shot for a new school record.

This year an annual event was started, the hexathalon. Boys from the Cees, Bees, and Varsity participated in it. They each ran six track and field events, receiving points for their placements in each. Gary Gardner of Cee classification was the over-all winner amassing 47 points. Don Hickman won the Varsity class with 44½ points, and Don Weeks was the Bee winner with 32¾ points.

The whole Cee team and their coach, Ed Austin, deserve a hearty congratulation for bringing home the bacon and winning the Pacific League.

J. V. Tennis

This year's J. V. Tennis team was rather green being made up of mostly freshmen and sophomores. They didn't play on a regular schedule but played on the days that the Varsity was away from the courts. There was a very noticeable improvement in the playing of Ray Huffman this year; he showed signs of some great tennis to come. In a tennis tournament which was started this year for novices and which was so successful that it looks like it will become an annual event, Al Stockbridge came away with the championship cup. Also adding to the team's strength this year were the wicked rackets of Rich Addison and Stan Chessmore, and the all around ability of Russ Page, Gene Ohly, Ted Hobbs, and Ray Watson.

The Girls' Athletic Association has ninety members in its organization. They have participated in many activities this past year which helped them to win the club trophy. Some of these activities were selling football programs, pom-poms, and taking part in the playdays and other events.

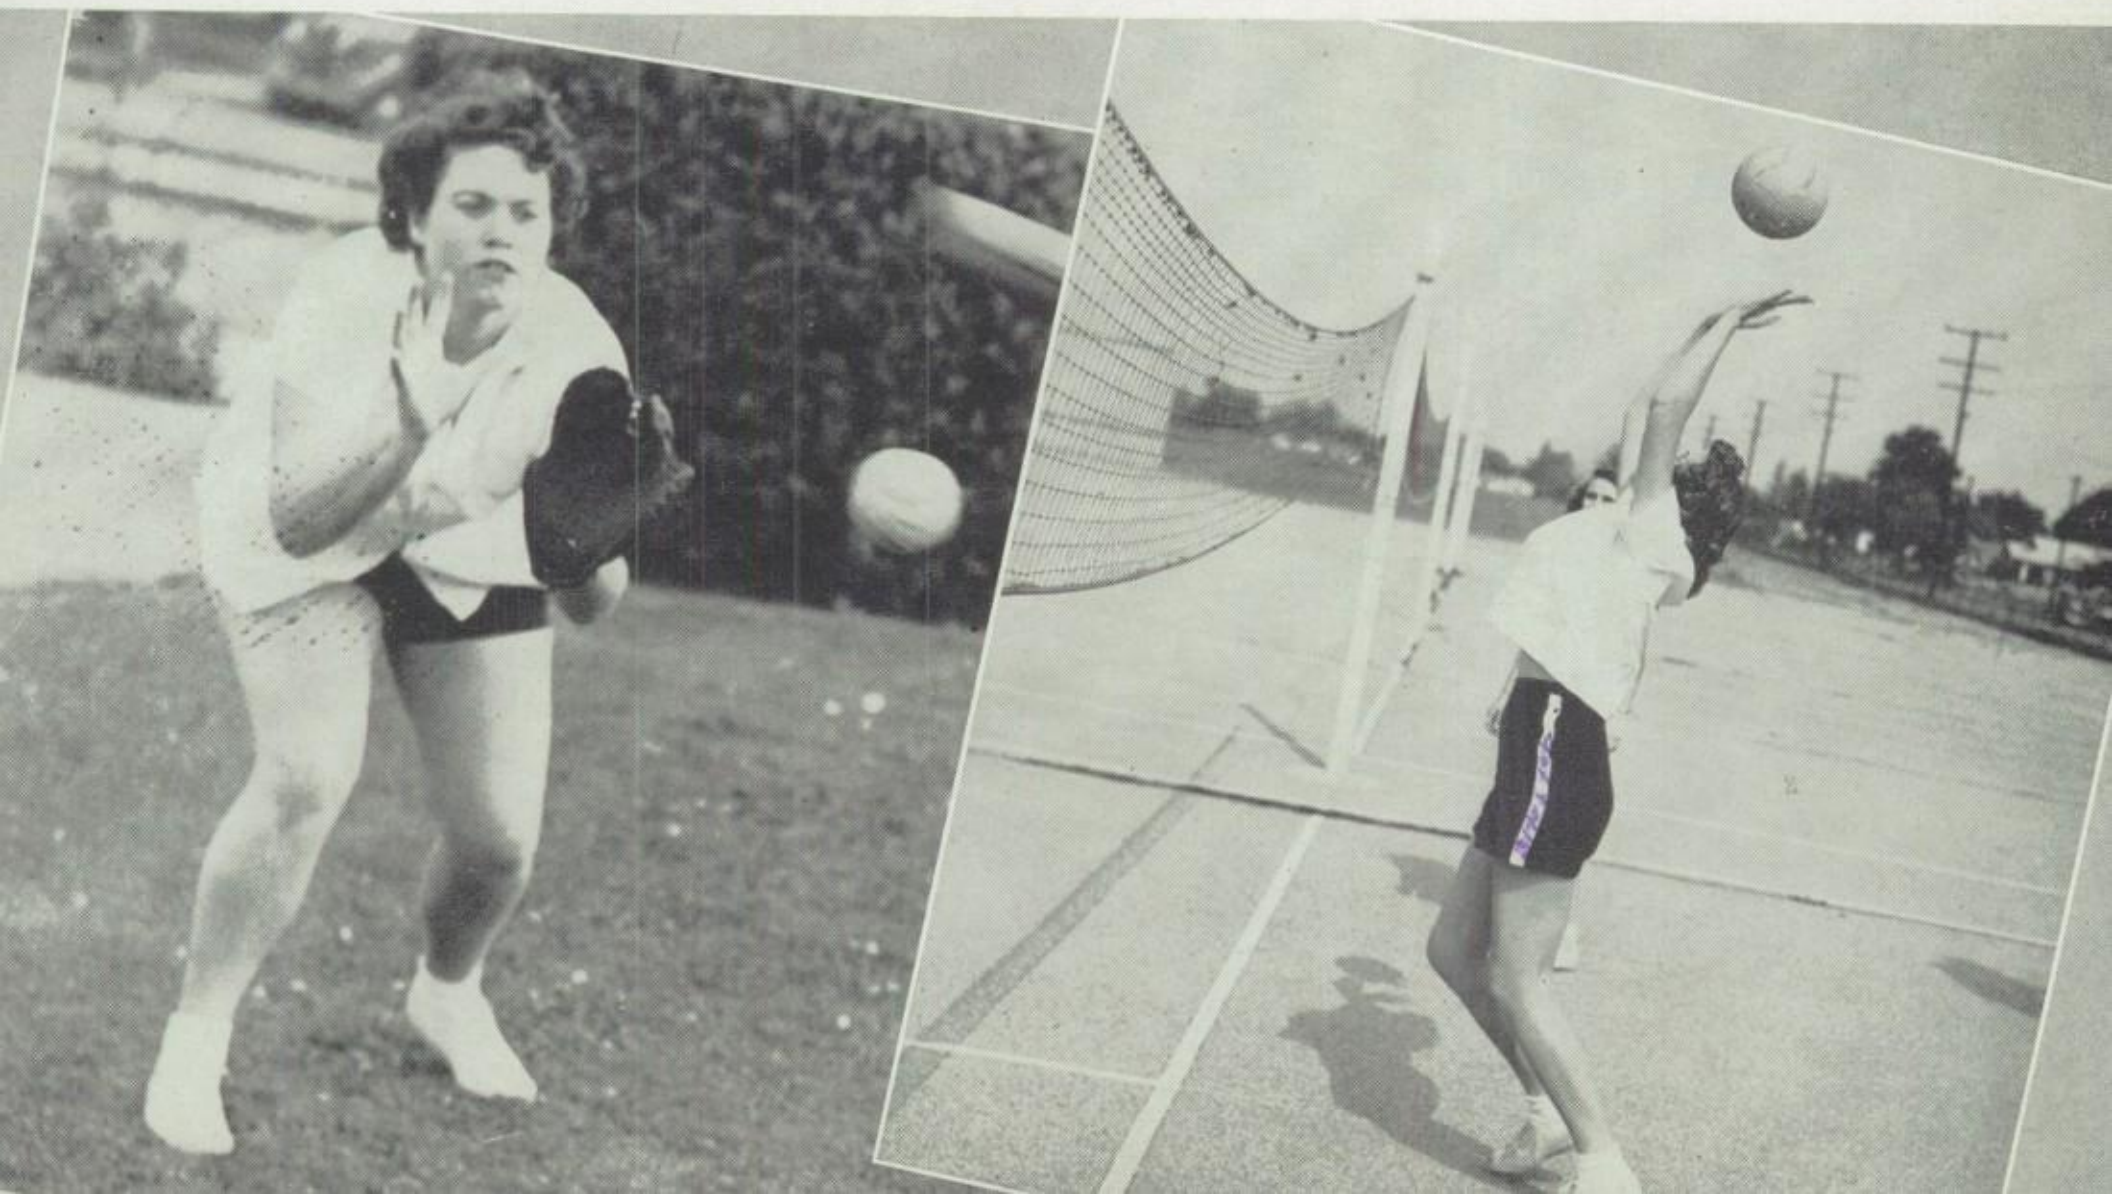

There were two playdays held this year, one during each semester. One was at Rosemead and the other here at Keppel. The usual sports could not be played at our home playday because of bad weather, but at Rosemead some of the sports played were basketball, volleyball, softball, and tennis.

The G. A. A.-Varsity basketball game was really a thriller. At the half the score was 3 to 8 in favor of the boys. But at the end the "weaker sex" proved master, and the final score was 17 to 16 in favor of the girls. The boys were dressed up in silly costumes and had to carry pennies in tin cups without letting them drop. Some of the boys participating were from the Varsity Club. Referees were Mrs. Brotman and Coach Horst.

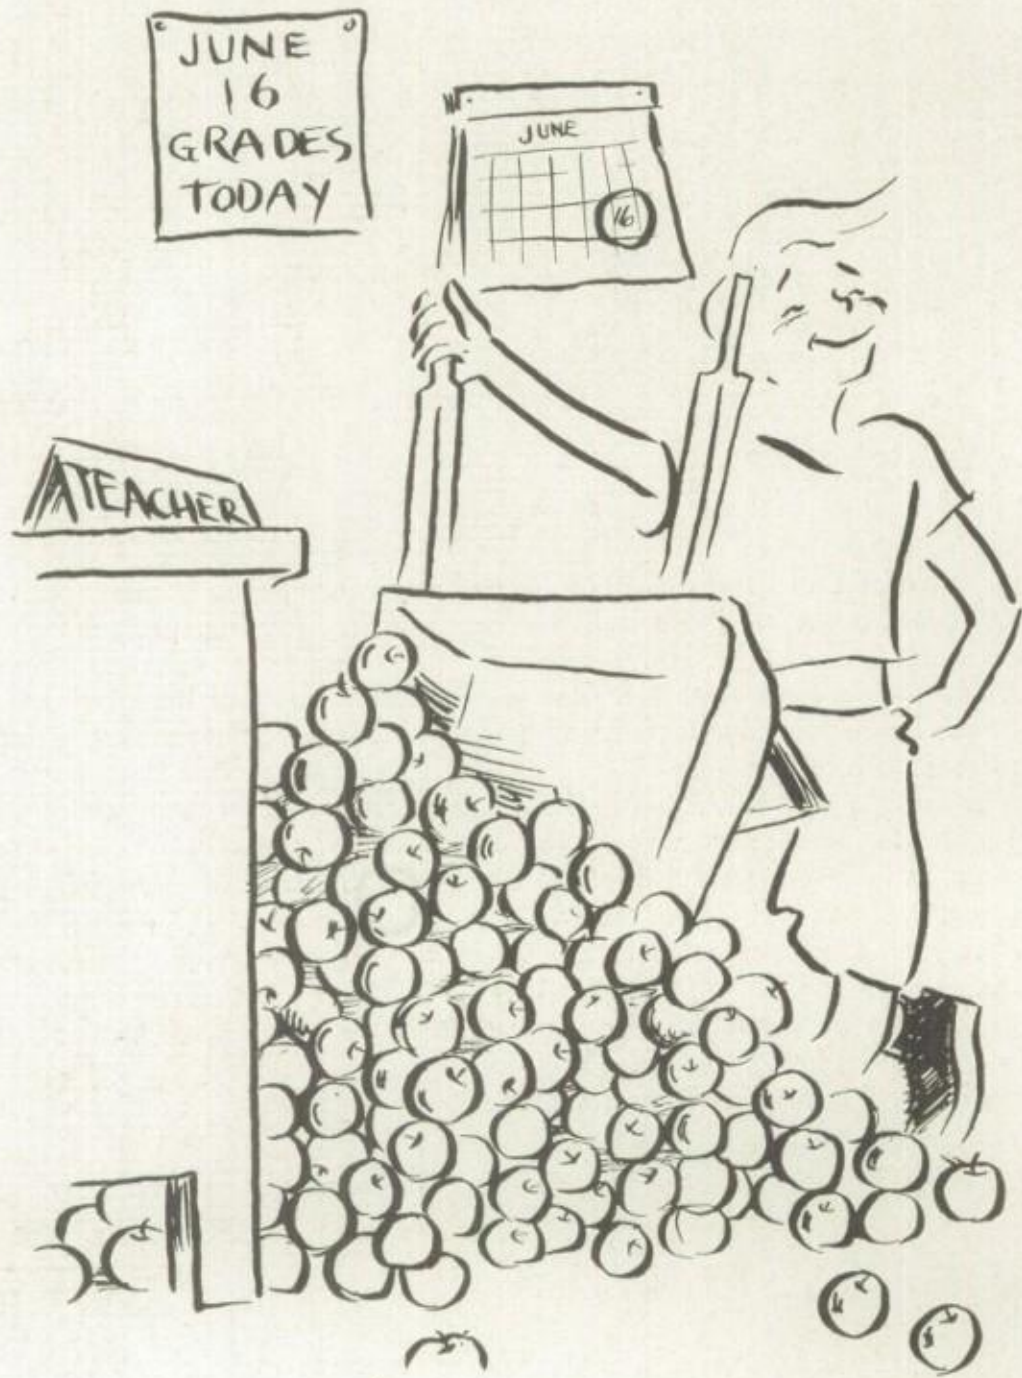

A G. A. A. Christmas dinner was held this year in the Keppel cafeteria where the girls ate spaghetti, exchanged gifts, and enjoyed an evening of entertainment.

The annual G. A. A. convention was held this year at Montebello. Four girls and two teachers from Mark Keppel were selected to attend the meeting.

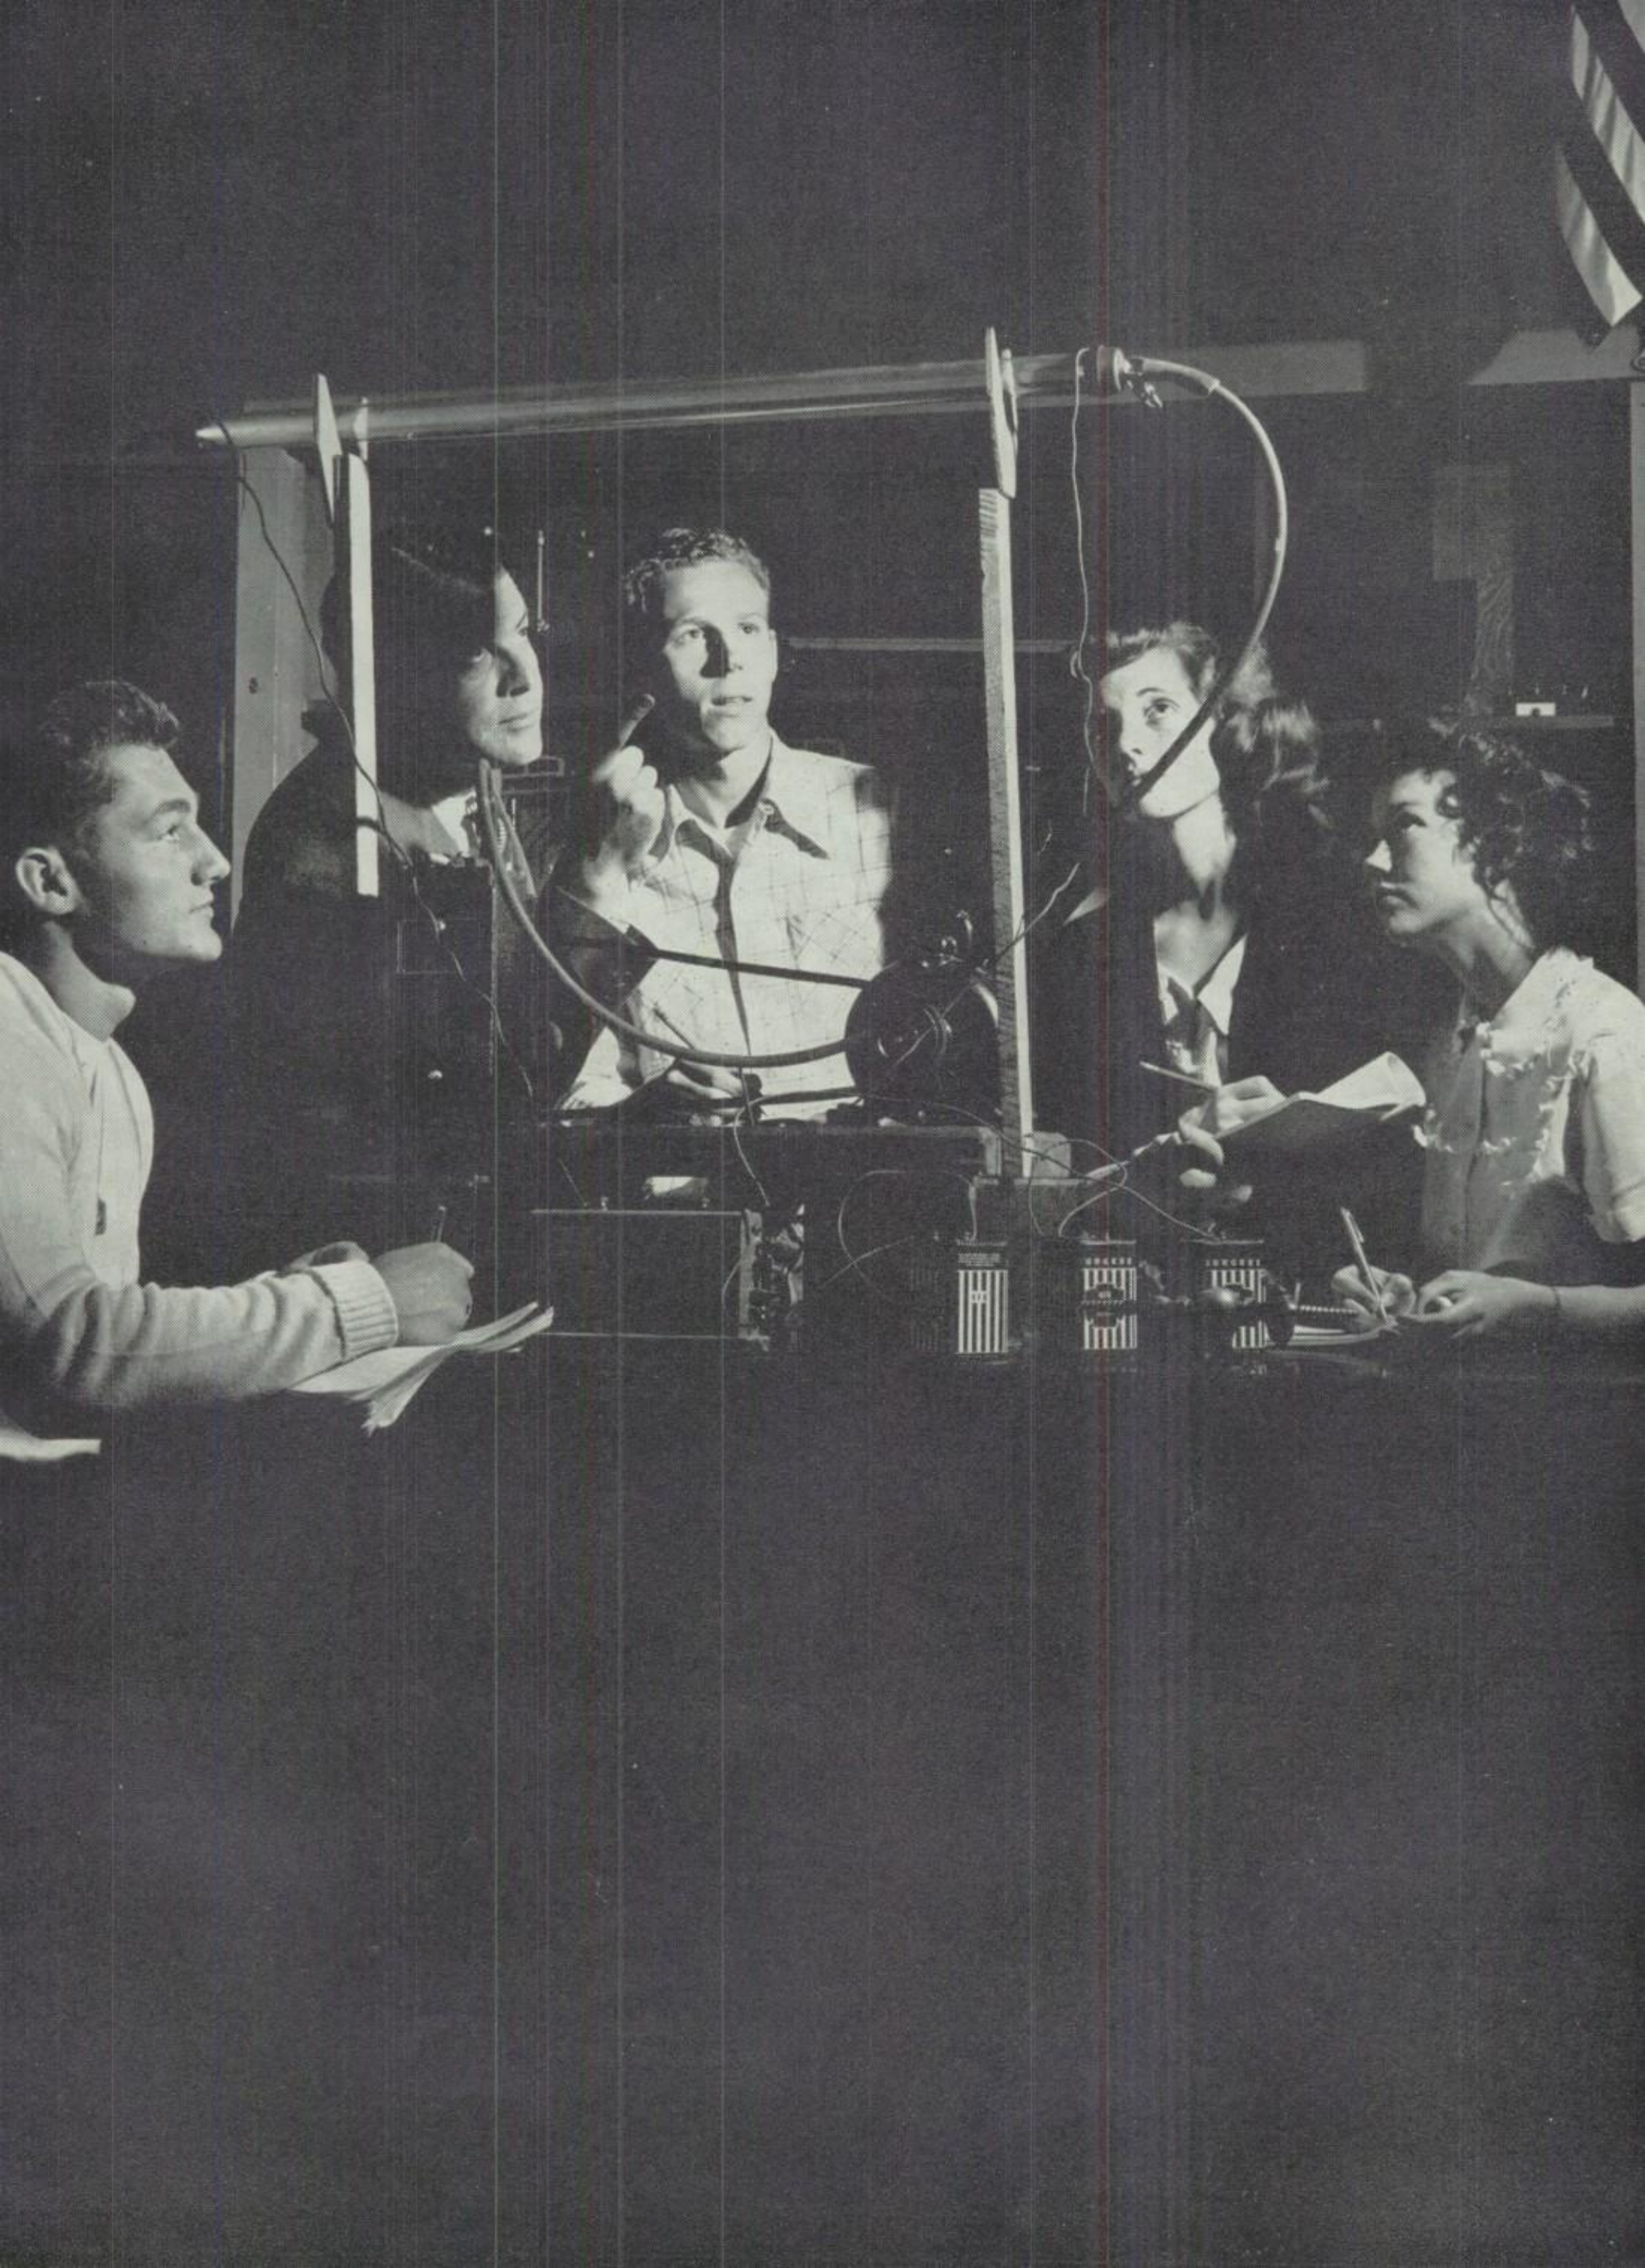

Adviser for G. A. A. is Miss Sparks of the Physical Education Department.

Keppel KlASSES

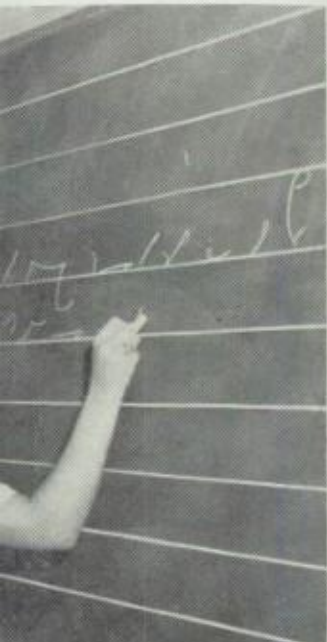

Once again our capable faculty have "shown us how it's done." This past year we have gleaned additional knowledge from them to help us as future citizens of our country, whether we continue in our educational plans or go ahead in vocational lines.

This year has been a memorable one for it was Keppel's 10th Anniversary. Thirty-two of the teachers who comprised the faculty at Mark Keppel in 1939-40 were here to celebrate this anniversary.

During Homecoming Week a special Community Banquet was held to commemorate this event, and a luncheon was held in honor of those school officials, faculty and board members who were here ten years ago. At a special assembly the student body heard a few words about the beginning of Keppel from the first principal and other Board of Education members.

As another year goes by, we wish to acknowledge our appreciation to our faculty for their patience and efforts, which are certainly praiseworthy.

Fight! Fight! Fight on Mark Keppel High
Fight till the game is won!

The winter Senior Class presented one of the most popular of recent comedies, "The Torchbearers." It is an extraordinarily clever satire on 'Dramatics.'

The play has an unusual plot; a play within a play. Mr. Ritter comes home from a business trip to find that his wife has been chosen to head the local play. He withstands this shock, but when he sees his scatterbrained wife act—that is just too much. The cast is made up of a wealth of comic characters: Mrs. Ritter, the scatterbrained wife; Mrs. Pampanelli, a grey-haired, aristocratic lady; Mr. Spindler, a peppy young man, who, at every chance he gets, retells his harrowing experiences in the army; and Hossafrosse, a good-natured, friendly fellow. These are just a few of those who participated in the play. The entire cast contributed their part, to make this fine comedy successful. The play was under the capable direction of Mr. Salisbury.

Berkeley Square

The summer senior class play, "Berkeley Square," was one of the most beautiful plays ever to be staged here at Keppel. It contains all the glamour of the 18th century with its beautiful costumes and powdered wigs. The fashions of those times were the most elaborate the world has ever known, and the manners the most romantic.

The play revolves around Peter Standish, an American, who inherits an 18th century English mansion, Berkeley Square. He becomes enamored with this fabulous era of art and beauty. By reading his ancestors' letters and diaries, Peter's mind develops a more or less logical idea that time is relative. Through this reasoning, he is allowed to exchange places with the first Peter Standish, his ancestor.

He finds himself in quite a dilemma when he falls in love with the sweet, sensitive, Helen Pettigrew—instead of her sister, Kate, whom Peter knows he must marry as in his history his counterpart did.

The story is carried through to a beautiful ending, with sparkling comedy and first rate drama qualities mixed throughout. The players' parts are so different, that it is practically impossible to single out one player as the outstanding star of the production. The entire cast deserves credit for their fine performance. Mrs. Gleason did an excellent job as director.

Dear Mary Ann "Ma"
I have known you for three years
and you seem to get sweeter, and sweeter every time
I look at you.
You're a real cute, nice, sweet, etc etc gal
and I really have enjoyed spending the past years at Keppel
with you.
I hope that our future years will be as friendly as
